SUMMARY:

One of the first things we think of when we see a Christmas tree is presents! But, there's something else the Christmas tree can remind us of. It can remind us of the cross, made from a tree, that Jesus chose to die on. Jesus knew the only way we could be forgiven for all of the wrong choices we make was if he came to earth and died on a cross. That is why Jesus came, and why we celebrate his birth at Christmas.

SIMPLE PRAYER:

Dear God,

Thank you for sending Jesus.

*In Jesus' name,
Amen*
